

## Walk-in-Interview

### **Applications are invited for the short term engagement of senior data managers (1 no.)**

A project under entitled **Climate Change Vegetation Modelling** is being implemented by Forest Research Institute (FRI), Dehradun.

FRI intends to engage qualified resource persons to facilitate in the project for short time period as per the details given below:

SN.	Post	Tenure	Deliverable	Required Qualification	Remuneration
1.	Senior data manager (IT)	Six months	Testing of vegetation models	B. Tech/B.Sc. in computer/IT or related fields or MCA	19,800/- per month (includes all allowances)

The engagement shall be purely contractual and time bound. The engagement under the contract does not confer any right/claim whatsoever either explicitly or implicitly for any regular appointment in FRI against any post or otherwise under any legal condition or precedence. However, engagement can be discontinued any time, if the work or conduct is not found satisfactory or up to the mark by giving a 7 days' notice. Initial tenure is of six months' period, however it may be extended as per the project requirement and permission of competent authority. The project information and data will not be transferred to other agencies by the data managers without consent of competent authority. Only Indian nationals are eligible to apply for this post.

Interested candidates may appear for the interview on ~~25<sup>th</sup>~~<sup>22<sup>nd</sup></sup> June, 2018 at 10:00 am at the office of Head, Forest Informatics Division (FID), FRI. Interested and eligible candidates must bring one-page CV and self-attested copies of certificates. No separate letter will be issued for attending the interview. No TA/DA will be paid for attending the interview. Candidates are required to report FID office at 9:00 am on ~~25<sup>th</sup> April~~<sup>22 June</sup>, 2018.

The Director, FRI reserves the right to modify, alter, delete, amend or add any of the rules or regulations contained herein.
